that of the application on which foreign priority is claimed.	VIII-4-1	Declaration: Inventorship (only for the purposes of the designation of the United States of America) Declaration of Inventorship (Rules 4.17(iv) and 51bis.1(a)(iv)) for the purposes of the designation of the United States of America:	I hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor of the subject matter which is claimed and for which a patent is sought. This declaration is directed to the international application of which it forms a part (if filing declaration with application). I hereby declare that my residence, mailing address, and citizenship are as stated next to my name. I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority, and I have identified below, under the heading "Prior Applications", by application number, country or Member of the World Trade Organization, day, month, and year of filing, any application for a patent or inventor's certificate filed in a country other than the United States of America, including any PCT international application designating at least one country other than the United States of America having a filing day before.
VIII-4-1- Prior applications:	VIII-4-1-	Prior applications:	America, having a filing date before that of the application on which foreign priority is claimed.

EPO - Munich 83 10, Feb. 2005

I hereby acknowledge the duty to 2005						
disclose information that is known by me						
to be material to patentability as						
defined by 37 C.F.R. § 1.56, including						
for continuation-in-part applications,						
material information which became						
available between the filing date of the						
prior application and the PCT						
international filing date of the						
continuation-in-part application.						
I hereby declare that all statements						
made herein of my own knowledge are true						
and that all statements made on						
information and belief are believed to						
be true; and further that these						
statements were made with the knowledge						
that willful false statements and the						
like so made are punishable by fine or						
imprisonment, or both, under Section						
1001 of Title 18 of the United States						
Code and that such willful false						
statements may jeopardize the validity						
of the application or any patent issued						
thereon.
